"... the practical social entrepreneurship skills and deep analysis I gained in YIP are what I apply in my current work more than any other skills acquired during my academic career."

Corinna Zuckerman MSc - YIP alumnus

"...the unique combination of skills provided from innovative organisational leadership, to self-reflective portrait painting, prepared me both logistically and emotionally for starting social ventures."

Caleb Buchbinder - YIP alumnus

"The first year of the rest of your lives."

Edgard Gouveia Jr. - YIP contributor
